

UFOMA

UTAH FACILITIES OPERATION & MAINTENANCE ASSOCIATION

UFOMA provides a forum to educate and inform the facilities managers of K-12 schools throughout the state of Utah.

Continued and Future Business Partners,

UFOMA has been in existence for more than twenty years, with nearly 200 members annually, representing both public and private school districts throughout the state of Utah.

Our association holds two conferences each year, in the spring and fall. By teaming with our 'Educational Partners', these conferences focus on providing the latest information and reviewing issues that affect the learning environment of K-12 facilities.

The spring conference is traditionally held in St. George, Utah, and includes a one day vendor/products show. The fall conference moves to a different location throughout the state each year.

Educational Partners:

- The Utah State Office of Education
- The Utah State Office of Risk Management
- The Office of the State Fire Marshal
- Business Partners

OPPORTUNITIES

UFOMA is a non-profit organization that relies solely on membership fees and donations. There are several opportunities to be involved with UFOMA.

- *Business Partner Memberships* are offered to individuals, organizations, manufacturers, or suppliers of goods and services wishing to support the activities of the association.
- *Donations* are gratefully accepted and used to finance the semi-annual educational conferences.
- A one day *Vendor/Products Show* during our spring conference provides an opportunity for vendors to showcase the latest information, technology, products and services that our members need.
