

MONDAY APRIL 3, 2023

KEYNOTE SPEAKER:

DAVID DUROCHER
Executive Director
The Other Side Academy

Dave Durocher was arrested for the first time at the age of thirteen. By the time he was 38, he had been to prison four times for a total of fifteen years. Dave was arrested yet again, and this time he was facing a twenty-two year prison sentence. In what the Judge called "the chance of a lifetime" he afforded Dave the opportunity to go to Delancey Street instead of prison but reminded Dave in no uncertain terms that if he didn't complete his commitment at Delancey Street he would be spending the rest of his life in prison.

Not only did Dave complete his initial two year commitment, he stayed for a total of eight years and became the Executive Director of Delancey's Los Angeles facility for five of those years, overseeing two hundred and fifty residents and a multitude of vocational training school businesses that funded the operation and provided the training ground for residents to learn how to live a constructive and meaningful life. Dave oversaw a 300% increase in revenue during his tenure over the facility.

Dave is tenacious, interpersonally skilled, a good manager and an inspiring and powerful public speaker. He had helped countless others regain their dignity and their lives before he moved on to enjoy his own success as the person he had become.

Dave helped launch The Other Side Academy in 2015 and is currently the Executive Director in Salt Lake City. The Other Side Academy is a two-year Life Skills Academy similar to Delancey Street, where men and women can come to learn about honesty, accountability, integrity, hard work and self-respect. Under Dave's management, The Other Side Academy has grown to over \$11 million in revenues and donations for 2018 and has overseen the growth of the student population to over 90 students.

Utah State Board of Education

Utah Safe and Healthy Schools

Shauntelle Cota, Safe and Healthy Schools Coordinator

(801) 538-7502 shauntelle.cota@schools.utah.gov

Shauntelle is the Coordinator of Safe and Healthy Schools at the Utah State Board of Education (USBE). In this role she works with school-based mental health specialists and school safety specialists to ensure that Local Education Authorities (LEAs) have access to the processes, procedures, and resources needed to maintain safe and healthy schools. She is a seasoned educator with over 25 years of experience. She has served as a teacher, administrator, consultant, counselor, and professional development expert. Ms. Cota believes in the power of education and is dedicated to advocating for the needs of students and educators across the state.

Rhett Larsen, School Safety Specialist

(801) 538-7997 rhett.larsen@schools.utah.gov

As the School Safety Specialist for the Utah State Board of Education (USBE), Mr. Larsen's responsibilities include coordinating and aligning school safety efforts at the state and local levels. He is the project lead for the USBE School Safety Center {SSC}. The USBE SSC develops model policies, resources, and best practices for school safety. Mr. Larsen believes in a comprehensive approach to keeping schools and students safe. He has worked in education as a school counselor, teacher, higher education counselor, and now as an education specialist. Education is important to both Mr. Larsen and his wife, who is a teacher. Together they strive to make a positive difference in the lives of students.

TUESDAY APRIL 4, 2023

Impact Fees for Schools

Richard Plehn, Utah Office of Property Rights Ombudsman rplehn@utah.gov

"Rick" Plehn is an Attorney for the Office of the Property Rights Ombudsman for the State of Utah. The Ombudsman's Office is a neutral, non-partisan state agency within the Department of Commerce that assists property owners, local governments, and other public or private entities with disputes involving takings, eminent domain, and land use law. Rick is a member of the Utah Courts mediation roster and, prior to the Ombudsman's Office, was a litigator in private practice. Rick grew up in Sandy and attended school in the Jordan School District. He received his bachelor's degree from BVU-Hawaii, focusing his studies on the topics of conflict resolution and public management, and later graduated from BYU Law School.

UFOMA HAS SOMETHING FOR EVERYONE THAT HAS ANYTHING TO DO WITH EDUCATIONAL FACILITIES IN UTAH.

Utah State Fire Marshal

Fire Marshal Updates & Training

Ted Black, State Fire Marshal – 801-602-7406

Ted came to the Utah Department of Public Safety in 2013, after 12 years as the fire marshal for the Weber Fire District. Between 1993 and 2001, Ted served in various roles in the former Salt Lake County Fire Department (now Unified Fire Authority), including fire prevention engineer and deputy fire marshal.

Before entering government service, Ted worked in the private sector as a fire sprinkler systems designer and project manager for various companies in the intermountain Western United States.

Ted is a member of the Utah State Fire Chiefs Association, a former chair of the Utah State Fire Prevention Board, and a past president of the Fire Marshals Association of Utah. He also holds memberships in the Joint Council of Fire Service Organizations, International Association of Arson Investigators, National Fire Protection Association and International Code Council, which includes recent roles on the 2021 Code Action Hearings-Fire Code Committee and 2021 Pandemic Task Force.

He holds a Bachelor's of Science Degree in Fire Administration/Investigation from Columbia Southern University and a Master's of Science Degree in Management and Leadership from Western Governors University.

Shane Cook, Fire Protection Engineer -General Building Plan Examination – 801-702-7749

Shane Cook was born in Payson, UT and has a memorable distinction of moving 31 times before he graduated high school. As the oldest child, he learned early on to push a broom or swing a hammer in the family construction business. At seventeen, he spent a summer framing portable classrooms in Las Vegas. Later, he earned a Governor's Vocational Scholarship to UVSC (now UVU) in Construction Management. In 1992 Shane became a Licensed General Contractor, building homes and small commercial projects

throughout the state of Utah. Several years ago, transitioned to the public sector doing inspections and plan reviews and has been with the SFMO since 2019. He currently has 27 active ICC certifications including CFM and CBO and hopes to achieve MCP. He enjoys fishing and spending time outdoors.

He and his wife Tracy have *five* children and live in Provo.

James Barnett, Fire Protection Engineer – Fire Alarm Systems – 385-434-4585

Jim was born and raised in the Ogden area. He started as a fire alarm technician in 2016, mostly doing annual inspections. He is trained specifically in performing inspections on all of aspects of Fire Protection systems with specialty in the Fire Alarm systems, He is trained and has expertise in installing new systems, and doing repairs and

replacement. For the next 15 years He worked becoming a lead technician, programmer, and troubleshooter. He has installed and maintained many integrated systems, including CO2 extinguishing systems, clean agent systems, pre-action systems. He started with the Utah State Fire Marshal's office in March 2021. He is the primary fire alarm plan reviewer and is the Deputy responsible for these systems.

Russ Sneddon, Fire Extinguishers /Fire -Suppression/ Kitchen Hood Systems – 385-434-9609

Russ loves his new job with the State Fire Marshal's office where he has been serving as a licensing and certification coordinator for the past year. Prior to this current attempt at respectability, Russ has what he refers to as "a checkered past" with a background in three different branches of the U.S. Military, and also Law Enforcement, EMS, and Firefighting. Russ has an Associates in Fire Science and a Bachelors in Management of Emergency Service. He enjoys volunteering with several State and Local organizations, but Russ is

most proud of his marriage of 40 years, and continues to be raised by his kids and grandkids.
